### ROETZEL CONSULTING SOLUTIONS CONGRATULATES CANDIDATES

(CLEVELAND) – Roetzel Consulting Solutions President Lewis W. Adkins, Jr. released the following statement following the return of voting tabulations for elected offices around the state:

“Roetzel would like to extend congratulations to **Congresswoman-Elect Shontel Brown (OH-11) and Mayor-Elect Justin Bibb of Cleveland, as well as Mayor-Elect Aftab Pureval of Cincinnati**, on their well-deserved new positions,” Adkins said. “We admire the lives of service they have pursued for years ahead of rising to their current positions and look forward to the new heights they will reach as they step into their new roles.”

Adkins also celebrated the longstanding service of two of Ohio’s distinguished Mayors who were re-elected last night.

“We also celebrate the service of **Mayor Jamael Tito Brown and Mayor Wade Kapszukiewicz to the Youngstown and Toledo communities, respectively**, and heartily congratulate each of them on their victories. Mayor Brown and Mayor Kapszukiewicz will no doubt continue to inspire and improve the communities they lead, and Roetzel will continue to celebrate and support their leadership.”

The Roetzel Consulting Solutions team looks forward to collaborating with these elected officials and the many others who were victorious in last night’s electoral contests.
